Kingston Parish Council

Financial Grants Scheme

Application form and guidance notes for applicants

2020 - 2021

These notes explain the background to the council's financial grants scheme. Please read them carefully before you complete the grant application form.

Kingston Parish Council Grants Policy

The council's grant scheme is designed to support small community groups in Kingston and encourage the development of new groups.

The aim of the scheme is to promote an active community by supporting voluntary or non-profit groups within the village to help develop or improve the services and activities they provide.

The council has the power to give such financial assistance under various statutes. Those relevant to Kingston include:

Local Government Act 1972:

S137 in respect of expenditure for purposes not otherwise authorised, which are considered to be in the interests of, and bringing direct benefit to, the area and its community.

S147 in respect of provision of information concerning services available

S145 in respect of provision of entertainment or development of arts and crafts

Local Government (Miscellaneous Provisions) Act 1976:

S19 in respect of provision of recreational, social and sporting facilities.

How the scheme works

The total grant fund allocated within the council budget is £TBC. As a parish council our funds can be limited and most grants are given for a maximum of a few hundred pounds only.

Applications are accepted during April for review at the council's May meeting and can be made towards a special project or the running costs of your group. Funds will be dispersed in June to successful applicants.

General conditions:

- Applications will not be considered from groups whose fundraising is sent to their central headquarters for redistribution
- Applications will not be considered from groups who intend to oppose or support any particular political party or to discriminate in any way
