Dear Driver

Inconsiderate Parking

Your vehicle is obstructing the walkway.

We residents of Kingston would like to remind you of the importance of our walkways, particularly for those in wheelchairs, poorly sighted, hard of hearing, parents with buggies, and all those less able to walk around this obstruction.

Inconsiderate parking forces us all to walk into the road to pass your vehicle. This is potentially dangerous and could lead to accidents.

We would very much appreciate more considerate parking in future.

This is a message from Kingston residents and has been downloaded from the Kingston Parish Council website.

Thank you.
