

Kingston Parish Council Planning Update

KPC Meeting 9th November 2022
Item 13.1 Appendix

Application No & Location.	Validation Date	Description of Application	Summary of KPC in Comments	Status
SDNP/22/03005/HOUS Benallen, Ashcombe Lane Kingston East Sussex BN7 3JY	04/07/2022	Replacement of existing wooden dormer cladding with hanging tiles	The council agreed to not comment on this application	Granted
SDNP/22/03022/HOUS Coppers Wellgreen Lane Kingston East Sussex BN7 3NP	05/07/2022	Removal of existing summerhouse and bay window to the rear, single storey extension to the side and rear with a porch and conservatory, two new French windows and a roof-light to the rear and internal remodelling on the ground floor	The Parish Council has no comment to make on this application	Granted
SDNP/22/03565/FUL Audiburn Stables Ashcombe Lane Kingston East Sussex BN7 3JZ	28/07/2022	Conversion of former commercial riding stables to provide three short-term holiday lets, together with retention of four stables, menage and grazing paddock in order to provide equestrian accommodation	Kingston parish council objects to this proposal as the development lies outside the Planning Boundary for Kingston	Granted

Application No & Location.	Validation Date	Description of Application	Summary of KPC in Comments	Status
SDNP/22/03301/HOUS 9 Monckton Way Kingston East Sussex BN7 3LD	05/08/2022	Rear ground floor extension and first floor side extension	We are concerned that this development may exceed the 30% increase in floor space and that we would wish the development to keep within that limit, otherwise we have no comment.	Granted
SDNP/2022/03732/LIS The Post House The Street Kingston BN7 3NT	09/09/2022	Erection of single storey extension, rebuilding of existing single storey extension, alterations to fenestration and internal alteration	<p>KPC objects to this planning application (on a number of the same grounds we objected to the previous application). The proposed development is not consistent with the planning policies set out in the SDNPA Local Plan and the Kingston Conservation Area Character Appraisal and Management Plan. The proposed extension is both bulky and overbearing it will significantly increase the footprint of the existing building and will dramatically change the character of this part of the conservation area where houses are already closely packed.</p> <p>Using the floor space measurements on the submitted drawings it appears both applications increase the floorspace by more than 30%? It would have been helpful to see some evidence of how the garage and storeroom were used for, 'ancillary domestic purposes' as of December 2002.</p> <p>Furthermore:</p> <p>1) The proposed extension, specifically, the use of vertical timber, large areas of glazing and dark metal framed doors and windows is at odds with the surrounding buildings it does not respect the character of the local area - this is not landscape-led design.</p> <p>2) Flint walls (regardless of when they were built) are important features of the conservation area. The plans propose knocking down an existing flint wall to turn a large part of the front garden into a</p>	In progress

			<p>parking space/s. The new driveway would also require constant access, creating a new junction on The Street and resulting in the loss of one public parking space - and the parked car would obscure the frontage of the building.</p> <p>3) The building will result in a loss of light for the neighbours, a loss of privacy (new windows will overlook neighbouring gardens) and an increase in noise. The extension would be visible from a public road.</p>	
<p>SDNP/2022/03731/HOUS</p> <p>The Post House The Street Kingston BN7 3NT</p>	<p>09/09/2022</p>	<p>Erection of single storey extension, rebuilding of existing single storey extension, alterations to fenestration and internal alteration</p>	<p>KPC objects to this planning application (on a number of the same grounds we objected to the previous application).
