### St Pancras Green Exercise Equipment Location Plan

### Outdoor Gym Equipment (Yellow)

Multigym, knee-up bench and trapeze swing arranged in a small circuit approx. 10m x 10m. Grass with safety matting under equipment, lets grass grow through.

**Location:** Beside the pavilion, but not under the tree <https://w3w.co/spine.crowd.move>.

**Boule Court (Red)**

12m x 3m. Compacted limestone surface.

**Location:** The corner between the tennis courts, leaving space for the dog walkers who use the space, making sure there is space so that dogs don't have to cross the court while their owners sit on the seating by the tennis courts. The seating may need to be moved slightly to give dogs access to clear grass to play fetch.

**Basketball (Blue)**

50 m<sup>2</sup> ((7.95m x 6.3m) tarmac with a basketball hoop and a netball goal. For comparison the tennis court is 20m wide at its narrow end. Located approximately as shown to avoid tree roots and leaf fall as far as possible.

**Location**

In the corner tucked behind the lower tennis court <https://w3w.co/handy.surely.wizard>
